## Priory Pupils Take Second Place at Runshaw College Science Competition

Thursday saw four Priory pupils venture off to Runshaw College for an afternoon of activities in Science subjects and to compete to win the Runshaw Science Cup.

The Krypton Factor competition, aimed at gifted and talented Science students, is designed to enable pupils to participate in activities from Biology, Chemistry, Physics and Geology. The event encouraged students to use their own scientific knowledge to solve problems such as 'The Hunt' and 'CSI Cretaceous'. Students also took part in a forensics investigation using entomology to determine time of death!

Well done to Johnny J, Ben W, Kate H and Olivia T who put in a fabulous effort to take second place on the day. Science teacher, Miss Conyngham, who accompanied the pupils said, "The day consisted of three activities; finding chemistry and physics clues, measuring live maggots to be able to work out how long a body had been dead for, and using geology to find out which dinosaur had killed another. Our team came second and really enjoyed their day."

The day before saw another group of pupils - Colin C, May R, Ryan S and Imogen K - attend the college's Forensic Psychology: Offender Profiling Workshop. This hands-on event demonstrated how psychology is used to help identify the likely perpetrator of a crime. It also gave pupils the opportunity to develop their research skills and powers of analysis and evaluation. A very interesting trip!

## Attendance Winning Forms

Each week the attendance officer calculates the form with the best attendance for 'Year 11s' and 'The 'Rest' of the school. As the Year 11 form groups are smaller than the others, they are more likely to achieve full attendance. Therefore to ensure fairness, results have been separated out.

This week's winners are:

**Year 11 -  
R1 (99%)**

**Rest - H6 (98.13%)**

Well done to Mr Henshaw's and Mr Eccles' forms.

## Netball World Cup Trip - 15 July

The Netball World Cup will be staged in Liverpool this year and we have been lucky enough to secure a small number of tickets.

The trip is on Mon, 15 July and places are offered on a first-come, first-served basis although discretion will also be given to those pupils who have shown commitment to attending netball practice in school this term.

The cost of the trip is £22 inc ticket and return transport.

Pupils should see Mrs Gutteridge for a letter with full details.

## A Message From The Head

Thank you to all those parents who have attended the parent's evenings over the last few weeks. We know the most powerful form of parental engagement takes place between you and your children entirely away from school (Sylva, Melhuish, Sammons et al., 2008) but research also indicates that your interest and engagement in their schoolwork raises their achievement.

A handwritten signature in black ink, appearing to read 'M. Eastham'.

Mr M Eastham, Headteacher

## English Literature and Language Revision Guides

A reminder to all Year 11 and Year 10 parents and pupils that we have English Language and Literature revision guides for sale at discounted prices.

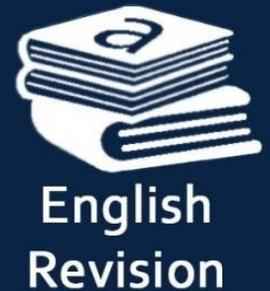

The 'purple one', as the English Language guide is also known, is a comprehensive guide to BOTH new specification English Language papers and features marked extracts from past papers, step by step 'how to' guides for all five questions on BOTH papers and even has a terminology glossary. All students are studying the same papers and there are no tiers in this subject so one guide covers all.

To support learning in English Literature, which involves the close study of several texts, the guides explain the whole text in a clear and easy to understand way, as well as offering close analysis of certain sections of the text.

Each pupil is studying Macbeth, Poetry and two from the other four choices which will mean that each child will need a maximum of four guides.

Letters/order forms can be collected from Mrs Gidden or can be downloaded from the school's website at: [www.priory.lancs.sch.uk/parents/letters](http://www.priory.lancs.sch.uk/parents/letters)

Please note there are no cut off dates for orders as we now have these in stock. Orders and remittance can be given direct to Mrs Gidden or the school office.

# Mrs Gidden's Cool Readers Club

Priory's Head of English, Mrs Gidden, has been really impressed with many of our multi-talented pupils lately and wanted to highlight their love of reading while excelling at other pursuits.

**This week we interviewed Year 8 pupil, Ellie.**

Ellie hopes she has the key to success as she is a talented piano player and an enthusiastic reader.

Ellie is currently engrossed in 'We Were Liars' by E. Lockheart.

"It's about a rich family and their daughter falls in love with someone who doesn't have the same amount of money and is not as lucky as her," said Ellie.

"It opens her eyes to the life of ordinary people, the life of people less privileged than herself and she discovers more about herself. It's really interesting so far.

"I also like Jeff Kinney's Diary of a Wimpy Kid Series, he just relates to people really well."

When Ellie isn't reading, she can be found swimming or playing musical instruments.

"I swim at Nuffield Health Club once a week, I don't compete, I just enjoy swimming.

"I play a number of instruments including the piano, the keyboard and I am teaching myself the acoustic guitar. I played the piano right through primary school and I got an acoustic guitar given to me so I am just learning how to play that. I would like to play the electric bass guitar in the future.

"My ambition is to be a lawyer or write books, maybe comedies."

## Young Ladies Only!

This week we received our red boxes of sanitary wear and underwear. The boxes are kept in the Pastoral Room. Girls wanting support should see Mrs Clementson, Pastoral Manager.

The Red Box Project is a community-based, not-for-profit initiative, which aims to support young people throughout their periods by providing red boxes filled with free period products to local schools.

The Red Box Project was founded in March 2017 by three friends who wanted to give young people in their local area access to sanitary products. After reading about 'Period Poverty' in the news, they were angered at the idea that young women were missing out on their education because they couldn't afford the products they needed during their period.

Recognising that the need was nationwide, they invited individuals from across the country to be a part of this movement and the response was overwhelming. Red Boxes are filled with tampons, pads, tights and underwear which were then delivered in to local schools.

Any girl who needs a sanitary product may ask for supplies at the school office or see Mrs Clementson.

### Hurst Grange Park - Bulb Planting

The Friends of Hurst Grange Park invite pupils to support them with bulb planting at their work party tomorrow, **Saturday, 9 February**. Weather dependant, they plan to plant out the pots of snowdrops which were potted in November. If weather conditions are unfavourable, they will try again at the following Work Party on **Saturday, 9 March** where they will also be planting 100 primroses.

The group are very keen to encourage young people to do voluntary work and would welcome them to help out, however please note that under the terms of their insurance, children under 18 must be accompanied by, and supervised by, an adult.

Meet at the Coach House from 10 am until 12 noon.

This will contribute to the Initiative section of the PiXL Edge Award. Pupils that have taken part should take a photograph of themselves at the event and see Mrs Hopes, Head of Character and Culture, to claim your award contribution.

## South Ribble Girls Football Competition

On Thursday evening the Under 14 girls football team came third in the South Ribble Girls' Football Competition at Balshaw's High School, Leyland.

On a bitterly cold evening, the girls played five matches against All Hallows, Balshaw's, Brownedge St Mary's, Lostock Hall and Walton-le-Dale.

The girls played some super football, the highlight being a 4-0 win over Brownedge St Mary's, the pick of the goals being a fine effort by Leah H which rounded off a great move involving all the team. In the semi-final, only an exceptional performance by the Lostock Hall goalkeeper prevented the girls progressing to the final. Despite their best efforts, the match finished 0-0 and the goalie's performance continued through to the penalty shoot-out where she made a superb save to deny the girls a place in the final.

Mrs Naylor, who accompanied the girls, commented, "The girls picked themselves up to beat Walton-le-Dale in the 3rd/4th place playoff with another outstanding performance by the team. A special mention for Jazmin A who covered every blade of grass whilst showing not only undoubted skill but versatility, playing in a variety of positions."

**A fantastic effort! Well done girls: Jazmin A, Shanae H, Amelia S, Sydney J, Leah H, Libby W, Paige H.**

## Jazmin makes the Nationals Semi-Final!

Tomorrow Year 8 pupil, Jazmin, joins the Under 14s Lancashire Schools FA squad in the National Cup semi finals.

Jazmin is part of the Girls County squad representing Lancashire Schools FA in the Northern Counties and English Schools FA competitions.

The game is at Pool Foot Farm in Fleetwood (12.30pm kick off) for those that wish to go and cheer her on to reach the final.

## Lancashire Schools Cross Country Championship

Well done to Year 7 pupil, Paige H who flew the flag for Priory and South Ribble Schools and helped the girl's team to finish 4th overall for their age group.

Paige took part in the championship at Witton Park, Blackburn last Saturday running a 2k course.

## Year 10 Work Experience

**24-28 June 2019**

Year 10 pupils will attend an assembly next week to find out about this year's work experience programme.

Pupils will undertake a week's self placement and attend an interview beforehand.

All relevant documents and forms will be given to pupils after the assembly.

Copies of the letter and forms can be downloaded from the school website at [www.priory.lancs.sch.uk/parents/letters](http://www.priory.lancs.sch.uk/parents/letters)

# Word of the Week

Each week Progress Leaders will be introducing a new word to pupils in their AM or PM Prep time.

'Assist' is a word taken from the Academic Word List, therefore making it applicable to all subjects. Teachers will use this word when explaining tasks involving paired work to re-phrase 'help your partner...' to 'assist your partner...'.

The tip is to raise awareness of discourse markers for comparison. In English pupils will need to compare two sources and devise multiple arguments when writing non-fiction. Discourse markers are also helpful for comparing religions in RE and, in History lessons when comparing historical events and sources. Pupils should familiarise themselves with them for use in their work.

Etymology:  
from Latin *assistere* "stand by, take a stand near, attend"

Word of the Week:  
**assist**

verb

To help (someone), typically by doing a share of the work.

e.g. assist your partner in writing their response

Literacy tip of the week...

## Discourse markers

Discourse markers can help when comparing. They are great to use in written responses in which you are asked to compare two sources or situations.

There are a few examples below. Can you think of any more?

Tip: Try to use these in your written work in order to make it clear that you are comparing!

|               |          |         |            |             |
|---------------|----------|---------|------------|-------------|
| Similarly     | Likewise | As with | Like       | Equally     |
| Alternatively | Whereas  | Unlike  | Instead of | In contrast |

## Pupils:

## Do you need to change your Accelerated Reader books?

Remember, the only times you should be changing them are:

Before school | AM Prep | Break | Lunch | PM Prep | After school

Make sure you are organised and have changed them before your English lesson.

**Remember:** All pupils should carry their reading books; they should not be left in classrooms. You MUST be able to produce your AR book if you are asked to by a member of staff – it's part of your uniform!

Progress leaders will routinely carry out equipment checks during Prep times and those that fail to show their reading books will receive a sanction which could lead to a detention. Pupils that have lost their book will receive a 'lost book letter' to take home.
