# Penwortham Priory Post

## Priory is now ready to rock you!

12 & 13 February 2020 | Curtains up at 6.30pm  
TICKETS ON SALE NOW!

Our talented pupils are prepared to show 'A Kind of Magic' as they belt out Queen hits at 'Schools Will Rock You' next Wednesday and Thursday.

Drama Teacher Miss Howell is so proud of the effort of the cast and the backstage helpers, as everyone has come together for a top class production.

"It's brilliant, the pupils have worked extremely hard, being at school until 6pm most days rehearsing," said Miss Howell. "They have really surpassed themselves and have had to overcome a number of setbacks such as illnesses and so on.

"They have all been dedicated, in fact one pupil Louis, who plays Khashoggi, is so dedicated he has gone to see the show at Manchester to get tips!"

Year 11 Katie, who plays the teacher, said: "It's been really enjoyable all working together. I have been doing it alongside my revision for my GCSEs and it's been workable."

Year 10 Tom, who has the part of Britney, said: "I liked Queen already so it's good to be able to sing their songs on stage. I sing 'I Want It All.' I have been in Priory's past productions of Peter Pan and The Wizard of Oz but have got a bigger part in this."

Backstage worker Abbie, in Year 9, admits she has a bit of pressure. "I have the responsibility for the microphones and they only arrive on Monday so I have a few days to make sure they all work properly!"

Oskar, also in Year 9, added: "I am on music and projections. My job is to make sure the songs are played with their correct backgrounds at the right time. I like music and computers so I am confident it will all work out."

## Attendance Winning Forms

Each week the attendance officer calculates the form with the best attendance for 'Year 11s' and 'The Rest' of the school. As the Year 11 form groups are smaller than the others, they are more likely to achieve full attendance. Therefore to ensure fairness, results have been separated out.

This week's winners are:

**Year 11 -  
R1 (97.92%)**

**Rest -  
D2 (99.62%)**

Well done to Mr Henshaw's and Mr Scott's forms for their best attendance. Pupils in these forms will receive 10 achievement points.

## Good Luck Jazmin!

Well done to Year 9 pupil, Jazmin A, who has been selected for the Lancashire County Schools FA u14s team in the semi final of the National Cup this weekend.

Jazmin, who plays for Blackburn Rovers Ladies Football Club, will travel to Oxford City FC on Saturday for the match against Oxfordfordshire.

We wish her the best of luck.

# Immunisations

## Year 9 Boys & Girls

Consent forms for Diphtheria/Tetanus/Polio and Meningitis ACWY vaccinations were issued to Year 9 pupils on Wednesday. Completed forms need to be returned to the school office by next Weds, 12 February.

Please note, forms have the option to consent or decline although you are encouraged to take up these vaccinations for your child.

Also parents should read the letter that accompanies the form as there is important information regarding consent. In the main the letter states that: ***'if we do not receive the signed consent forms each young person will be assessed on an individual basis and given the opportunity to give their informed consent to receive the immunisations'***.

Vaccinations are scheduled to take place on Thurs, 12 March.

## Year 9 Parents Evening

Tues, 11 February | 4pm-7pm

We encourage parents/carers to attend these sessions to discuss their child's recent progress towards meeting target levels, homework, quality of work and work ethic. This term, your child will be choosing their options and therefore parents evening discussions take an important part in guiding pupil's choices.

**IT IS VITAL THAT PUPILS MAKE DISCUSSION APPOINTMENTS WITH THEIR SUBJECT TEACHERS.**

All pupils have an appointment sheet and we would ask that parents push for its completion in the remaining days leading up to the evening. Replacement copies are available from the school office or can be downloaded from the school website at >> <https://www.priory.lancs.sch.uk/parents/letters>

During the evening Mr Gee will run a short presentation for parents and pupils on the options process repeated at 4.30pm, 5.30pm and 6.30pm.

We look forward to seeing you and appreciate your continued support in ensuring your child maximises their potential.

If you cannot attend Parents Evening, please contact your child's form tutor or Head of Year 9, Mrs Bailey [a.bailey@priory.lancs.sch.uk](mailto:a.bailey@priory.lancs.sch.uk).

# Schools Will Rock You - What's the story?

**WE WILL ROCK YOU** School Edition has been adapted from the original London West End production and carefully edited to make the show more producible for high schools.

Featuring more than 20 hit Queen songs including **Another One Bites The Dust**, **Bohemian Rhapsody**, **Killer Queen**, **We Will Rock You**, **Somebody To Love**, **We Are The Champions**, **Don't Stop Me Now**, and many more, **WE WILL ROCK YOU** follows two young rebels as they try to restore rock 'n' roll to the 'iPlanet' in a post-apocalyptic world.

The show tells the story of a globalized future without musical instruments. A handful of rock rebels, the Bohemians, fight against the all-powerful Globalsoft company and its boss, the Killer Queen; they fight for freedom, individuality and the rebirth of the age of rock. Scaramouche and Galileo, two young outsiders, cannot come to terms with the bleak conformist reality. They join the Bohemians and embark on the search to find the unlimited power of freedom, love and rock!

Since 2002, this awe-inspiring musical, based on the songs of Queen with a book by Ben Elton, has thrilled over 15 million theatre-goers in seventeen countries. And now, next week, it hits Penwortham!

**WE WILL ROCK YOU** is a musical for our time: a fist-pumping, foot-stomping anthem to individuality. Here are the cast in rehearsals...

"The show is live, dangerous and more than anything else: it rocks!"

*Brian May, Queen*

"The audience get to become part of what eventually becomes a rock concert..." *Ben Elton*

# An award-winning former pupil returns to inspire Year 9 pupils considering their Options

Class of 98 Julie Gabbott won a Gold Medal at the World Guide Awards which were held at the Royal Geographic Society in 2018, beating off competition from 2000 other guides.

She was praised for her passion, humour and empathy and Julie has travelled around the world, leading tours in East Africa, the Himalayas, Istanbul and more with her job. But she admitted it wasn't always straightforward for her, which is what she told the Priory pupils:

"My parents were getting divorced when I was at Priory and I could be a little wayward," said Julie. "However teacher Andy Watters supported me and he got me through high school, I look back on what an inspiration he was to me at that time."

"While at Priory I took a City & Guilds qualification which was for those less academic and it was more hands-on. I went out planting trees and into the countryside and it made me think outside the box a little bit for jobs and my future."

"I left school at 16 and went to work in a solicitors, in fact Mr Watters gave me a reference. I did an NVQ in Business Admin but after three years I wanted a change and went into the administrative side of tourism. I transferred my skills from the solicitors into a different industry which I felt suited me more."

"I then learned guide skills and acquired guide qualifications and it was a gradual progression to get where I am now. I explored the options available to me and expanded them. I want to tell the Year 9 pupils about my journey, how you may not know what you want to do but that there are a whole host of different jobs out there."

"It was a bit surreal returning to Priory after 23 years. I have been back once when I was 17, but it's great to see how the school has developed. It's funny as the buildings have changed but it still had the same smell and feel around it. It was great to speak to the pupils and see what a positive place Priory is and what a good job Headteacher Mr Eastham is doing there."

**Lead Teacher of Geography, Mr Watters said:** "We are very proud of Julie's successes over the past three decades. I have been following Julie's career with regular updates from her about her worldwide travels. When she finally managed to be in the region, Julie was invited to come in and chat with the current Year 9 geographers."

"The pupils are investigating the incredible range of careers and degrees open to geographers. Julie gave a superb presentation sharing her experiences and ideas on how our young people can benefit from life-long learning and being flexible to opportunities."

"The message also included various anecdotes saying how sometimes we need to take steps forward believing in the opportunities ahead. The pupils were fascinated by her PSV driving skills and a funny yet worrying story about a hippo encounter when kayaking along the Zambezi River."

"In Julie we have a true friend of the school and ourselves in Geography. We can look forward to her next visit and further presentations to the pupils."

# Mrs Gidden's Cool Readers Club

Priory's Head of English, Mrs Gidden, has been really impressed with many of our multi-talented pupils and wanted to highlight their love of reading while excelling at other pursuits.

**This week we interviewed Year 7 pupil, Lucas.**

Lucas is a keen football player and has now been selected as one of Mrs Gidden's Cool Readers.

Lucas plays for Penwortham Town on the right wing and is also a big Manchester United fan, although he has been to watch Preston North End a few times.

His favourite subject at Priory is PE but he also enjoys reading fantasy books.

"My favourite books are the 'Tom Gates' series by Liz Pichon about a boy and his friend and their lives at school. They are easy to read and there are a lot of pictures to show events as well so it makes them even more interesting."

The 12-book series is about Tom and, in book one, he is the master of excuses for late homework, whether it's dog attacks, spilt water, lightning and more.

Tom's exercise book is full of his doodles and thoughts, as well as comments from his long-suffering teacher, Mr Fullerman.

"I read mostly in school as I like to play sport out of school."

## Learning for Life

At Penwortham Priory Academy the Learning for Life curriculum is designed to support the promotion of excellence for pupils and do all it can to improve their life chances.

Pupils have three 20 minute Learning for Life lessons each week.

*Like a challenge?*

The Head of Maths, Mr Kenrick, will be testing our brain power each week with one of his puzzles.

Here you will find a puzzle or a problem solving task - these can help to build students' perseverance, mathematical reasoning, ability to apply knowledge creatively in unfamiliar contexts, and confidence in tackling new challenges. Why not have a try yourself!

# Culture Hacks Youth Volunteering in Lancashire

## What is a Culture Hack?

A Culture Hack is a young person who volunteers in one of Lancashire's Libraries, Museums or Archives and helps make inspiring activities happen. Culture Hack is open to anyone aged 11-24 and there are opportunities in many of libraries across the county. Opportunities for museums and archives next year are hoped to be added next year.

Culture Hacks have a mix of opportunities from supporting library activities to creating brand new stand-alone cultural events from film nights to music. Young people can volunteer on a regular basis or for a specific period, such as the summer holidays. The amount of hours can be flexible and agreed locally.

Being a Culture Hack is a great opportunity to build skills, gains confidence, meet new people and inspire others. Volunteering can provide valuable experience to go on your CV and can count towards other awards such as the Duke of Edinburgh.

Each year, there are opportunities to get together with other Culture Hacks to share experiences and help shape how the Culture Hack offer develops.

## What can you do as a Culture Hack?

Being a Culture Hack is a chance to make great things happen. It's about having ideas large or small and seeing how these can make a real difference.

Culture Hacks will volunteer at one site but also have the opportunity to come together with other Hacks to support other events nearby.

Some young people will join with ideas about the type of thing that they would like to try but for others it might be more of an opportunity to start out in volunteering and try a mix of things in the library before developing any new ideas. Both of these are fine. Here's a list of just a few of the ways that Hacks currently volunteer.

**SCART Club** – Supporting children's activities as part of Lancashire's Summer reading programme

**Coding Clubs and Little Bits Electronics** – Devising and running sessions creating bubble bots, arcade games, or simply experimenting with the electronics blocks to create new inventions.

**Science Club** – Choosing experiments, hosting sessions, and researching the science behind the experiments.

**Escape Room experience** – Creating challenges and puzzles developing problem solving and teamwork.

**Film nights** – Choosing films, creating library cinema spaces, and sometimes offer film review sessions.

**Fun Palaces** – Devising and hosting activities such as coding or slime making and supporting families to take part.

**Themed Book Displays** – Putting together themed book displays for children and young people.

**Reading Groups** – Hosting reading groups for children or teens encouraging them to talk about books they have read.

Sometimes not all activities that Hacks would like to do can be offered but it's always worth discussing with a library officer as with a bit of adaptation ideas for activities and events can bring some incredible fresh new events into libraries.

## What is expected from a Culture Hack?

- Creativity
- Understanding
- Love of libraries
- Teamwork
- Unique –being yourself!
- Respect for yourself and others
- Enthusiasm
- Heaps of interest and ideas
- Activities and events
- Commitment
- Knowledge to share and willingness to learn
